

St Blaize Hiking Trail, Mossel Bay

Walk the trail at your own risk

Caution

- Walking the trail in wet weather, strong winds and mist can be dangerous due to high cliffs and a slippery path
- Accompany children at all times

Trail description

The St Blaize Trail follows the 30m contour above the ocean. It starts at the Cape St Blaize cave below the lighthouse at the Point, Mossel Bay and ends at Dana Bay. The trail can be walked in either direction. There is parking at the start and end.

Degree of difficulty

Moderate. Please do not underestimate this trail. Exits are far from main roads and the town centre.

Level of Fitness required

Reasonable fitness is required.

Important

- For your own safety do not walk alone
- Take water to drink, there is none available on the trail
- Wear proper shoes
- Take a hat and sun block
- Carry water- and windproof clothing
- Arrange transport for the end
- Cell phone signal cannot be guaranteed for the full length of the trail

Beware of

- Snakes, especially puff adders, love basking in the sun along the trail and often will not move off the path.
- Flying golf balls where the trail crosses the Pinnacle Point golf course.
